

Based on community input, we wanted an image to portray the following:

- * Elements of rural Southern Maryland:
 - * Water (Chesapeake Bay, Potomac and other rivers)
 - * Gently rolling fields
 - * Forest and trees
 - * Tobacco barns
- * The Farm to Market concept
- * The diverse array of fine products that Southern Maryland offers
- * The five participating counties:
 - * Anne Arundel
 - * Calvert
 - * Charles
 - * Prince George's
 - * St. Mary's

Many people gave thoughts and input into our logo and we thank all those who helped us. Creative Consultants in Dove Canyon, California designed the final logo.
